Chapter 1 - The Invention of Shoes

Pages 7 and 8

## Writing

Read this paragraph.

- A shoe is a type of footwear. It is an item of clothing. Shoes always come in pairs. They are worn for hygiene, style, and comfort. There are different types of shoes. There are shoes for walking or jogging. There are shoes for formal wear that can be worn for business and important occasions. There are rubber boots that are used on rainy days. People also like to wear shoes for fashion.

The first sentence is a general statement about shoes. It is also the **topic sentence** of the paragraph. The other sentences give us details that support the topic sentence.

Now write a paragraph in your notebook about how brooms were used to clean the dust in King Hobu's kingdom. When you have finished, underline the topic sentence.
