SUMMER VACATION ASSIGNMENT

CLASS VII

**Summer
Holidays!**

**18.05.2022
To
19.06.2022**

Dear Parents,

Greetings from Mount Carmel Public School, Aurangabad!

The Summer Vacation begins from 18.05.2022 and our school will re-open on 20.06.2022.

Here we have reached the time of the year which guarantees us a well-deserved opportunity to relax and rejuvenate through our engagement in activities that are not only delightful but also educative.

As we commence our summer break, we suggest a few activities which you can enjoy with your children:

- 
- **Spend quality time with your children and share stories about your childhood and your family history.**
 - **Enjoy at least two meals with your children. Teach them not to waste their food and explain the importance of food and the hard work the farmers do to grow food.**
 - **Keep your children's screen time limited.**
 - **Allow them to help you in the kitchen and other household chores. Such activities teach them dignity of labour.**
 - **Avoid giving junk food. Cultivate a healthy eating habit in children.**
 - **Inculcate a reading habit in children by allowing them to read age-appropriate story books.**
 - **Fix up a time table for your ward to organise his/her daily routine like, watching television, playing with friends, studying etc.**

Keep safe and be joyous!
